## DESCRIPTION

This cozy but chic scarf can be made with variegated or [scrap cake yarn](#). The scarf is ~ 60 inches long and ~12 inches wide. I wanted a scarf long enough to get a good wrap around my neck when needed - winter is coming! The main part of the scarf is crocheted with the [wave stitch](#) and is outlined in a contrasting yarn color using the twisted single crochet stitch - a VERY fun stitch (see [video tutorial](#)). The fringe is long and luscious and adds a pop to the ends - plus you have the option of turning this scarf into an infinity scarf!

## MATERIALS

- [Manos Del Uruguay Maxima Yarn](#) (Weight: 4/medium 3.5 oz/219 yd):  
~7 oz/430 yards needed in main color OR use up your scraps and [make a scrap cake](#)
- Contrasting worsted weight yarn (Weight: 4/medium - 3.5 oz/186 yd):  
~2 oz/100 yd needed for border
- [Size I \(5.5 mm\) crochet hook](#) and Size H (5 mm) crochet hook

## ABBREVIATIONS

- ch: chain
- st: stitch
- sk: skip stitch
- blo: back loops only
- fsc: foundation single crochet ([tutorial](#))
- sc: single crochet
- hdc: half-double crochet
- dc: double crochet
- tc: treble crochet
- twisted sc: twisted single crochet ([tutorial](#))

## GAUGE

fsc 12 by 7 rows of dc = 4 inch by 4 inch swatch. Meeting gauge is not necessary, scarf is one-size-fits-all! Though I will note I crochet loosely.

## DIRECTIONS

*This piece is worked flat along the long axis.*

Fasten off and weave in ends. *I just LOVE how scrap yarn looks!*

To create the contrasting border fasten on to a corner and work the twisted single crochet stitch along both long edges ([tutorial video](#)). Switch to a size H (5 mm) hook to complete the border more easily.

Add a 10 inch long fringe to both ends and you have finished your scarf, or sew the short ends together and create a cozy infinity scarf! Throw it on and brave the cold this winter while looking cute in your handmade garment.
